

HELSINGIN YLIOPISTON
KÄYTÄNNÖLLISEN TEOLOGIAN LAITOS

March 12, 2008

To whom it may concern

This letter is to support the work of Florian Colceag, the President of EDUGATE Consortium and IRSCA Gifted Education. He has been working for a long time on introducing the gifted education system in Romania. He will take example of the successful strategies implemented in Finland and in the other European countries. As a President Elect of the European Council for High Ability, I am glad to provide him support in his efforts.

Kirsi Tirri
President Elect of ECHA
Professor of Religious Education
Department of Practical Theology
P-O. Box 33 (Aleksanterinkatu 7)
